13 December 2017

Dear Parent/Guardian

Vice Principal Position

As you are aware, Mr Carlisle has left Dromore Central Primary School to take up a new post.

Until further notice, Mr J McCune will fulfil the role of Acting Vice Principal.

Safety travelling to and from school

Recently, one of our pupils found some unidentified tablets whilst walking home from school. The potential dangers are obvious. We should appreciate it if you would reinforce with your child messages around 'Keeping Safe' and the dangers of touching any dropped items, including medicines or tablets they may see on the way to or from school.

Weather Conditions

Due to the recent snow and freezing conditions, our car park and drop off zone, despite salting and scraping, remain icy. Please exercise great care when walking in the grounds and be mindful of pedestrians when driving.

Cakes etc

At this time of year many of you kindly send cakes and buns for the children to enjoy. However, an increasing number of children suffer with food allergies and so unfortunately we can no longer give these treats.

Thank you for your kindness and understanding in this regard.

Yours faithfully

L Allen (Mrs)
Principal
