FAO Year 5/6/7 Parents

Dear Parent

The Music Service provides instrumental tuition in schools throughout the Southern area. We are pleased that this service is available to pupils within Key Stage 2 at our school. Lessons are on woodwind, brass and stringed instruments.

This service is subsidised and compares favourably with charges for private music lessons. They usually average £5 per lesson and delivery is generally billed across 33 weeks of the year. Lessons will adhere to EA guidance and children will be in groups of approximately 4-6.

Musical instruments can be hired from the Music Service. The cost is £35 for violin/viola and £50 for all other instruments. A reduced rate is available for those children in receipt of free school meals. Maintenance and music examination fees may be required as each child progresses.

We are now in a position to start new pupils. The EA Music Service tutors will be working through a selection process over the coming weeks. The number of places available will also be restricted.

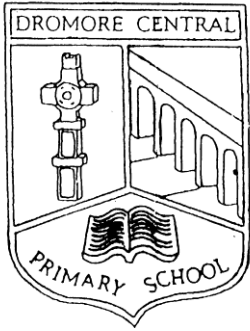

Please note that in order for your child to be enrolled, a minimum commitment to tuition for the 2022-23 academic year is required.

If you wish your child to proceed to the first stage of assessment, then please complete the attached reply slip and return it to the school by **Wednesday 13th September**.

Yours Faithfully

Expression of interest for Musical Tuition

My child would like to be considered for musical tuition from the EA Music Service. I give permission for him/her to be assessed by a tutor. Should my child be successful, I agree to a commitment of tuition for the 2023-24 academic year and agree to pay the required fee.
