8th December 2023

Dear Parents and Guardians,

Over the past number of weeks, I have received several complaints from concerned parents regarding the use of our school car park.

I know that the size of the car park is inadequate for the needs of the school and, unfortunately, the proposed work to improve it planned for the summer holidays was postponed by the EA due to the current funding crisis.

Both these parents and I are expressing our concern regarding the persistent double/triple parking, parking on top of kerbs and walkways within the school grounds, the blocking of key entrance points and pedestrian crossings etc. Our main concern remains that poor parking may lead to an accident or worse, someone - child or adult - being injured.

Could we please ask that you park thoughtfully and safely for the pupils and other parents of the school. Only your consideration can help relieve these problems.

Thank you for your help in this matter.

Yours faithfully,

Heather Bentley
